Roll call taken for **Executive Meeting**. All members present.

Tonight's discussion was regarding full-time employee salary increase. Current payroll is Heather and Tim both make \$22 an hour and Caden makes \$19 an hour with the understanding that once he completes his sewer training and receives his license he will get an incentive. This discussion is due to a 10% inflation increase. Much thought was put into % increase, discussing what other organizations do, the fact that full-time employees just got benefits excluding vision, etc. After careful consideration it was agreed that each full-time employee would get a 6% salary increase that was set in motion by Becky, seconded by Kris.

Becky makes a motion to return to **Open Session** seconded by Randy. Motion carried.
